

EUROPEAN DAY OF LANGUAGES

26 settembre 2025

Primary School «Don Lorenzo Milani»
a.s. 2025/26

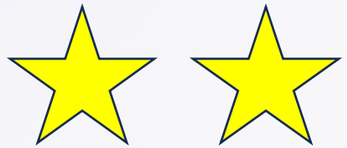

Made with Gamma

The first-grade class will present a poster about colors: each name is translated in the main European languages.

Made with Gamma

The second-grade class, instead, has represented the main attractions of their city, Civitanova Marche in English.

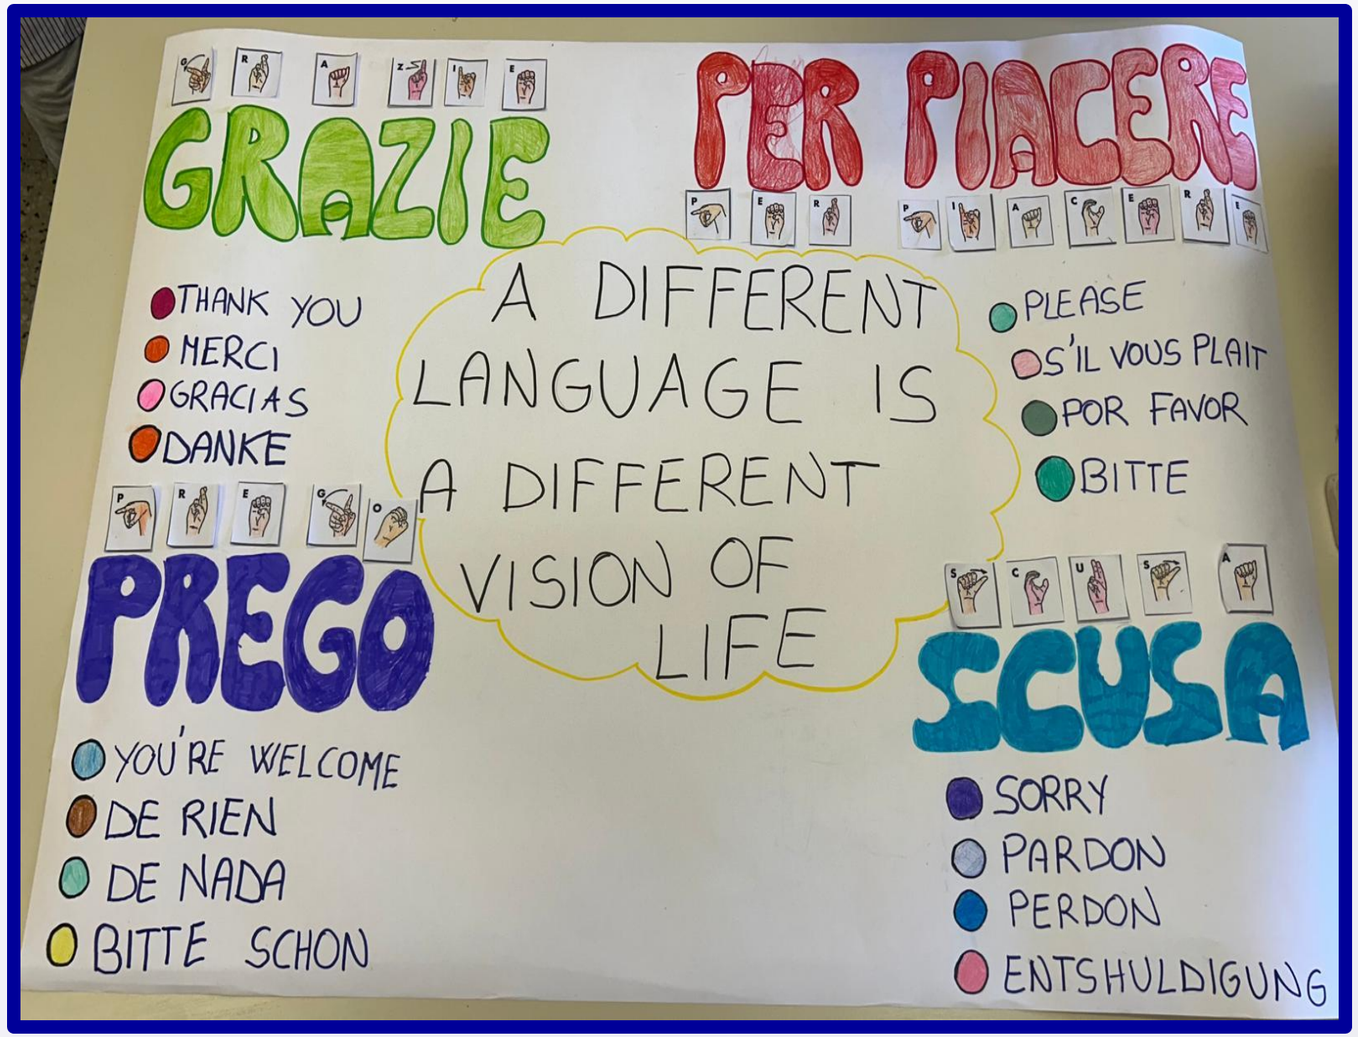

Made with Gamma

The third-grade class, has worked on some typical dishes of our city, that are untranslatable into any language.

Made with Gamma

The fourth-grade class, would like to present to you the words of kindness translated into the main European languages and also into Sign Language.

Made with Gamma

The fifth-class have collected greetings in different European languages. For each country they have also shown the flag.
